

Coronavirus Relief Fund (CRF)

(Dollars in Thousands)

STATE PROGRAMS

Federal Program	State Program	Purpose	Estimated and/or Awarded	Obligated	Expended
Coronavirus Relief Fund	Coronavirus Relief Fund (CRF) - State	Provides funding to states and local governments for costs incurred due COVID-19 public health emergency and not previously accounted for in the most recent budget; cannot be used to replace lost revenue. Funds are allocated based on population. California's allocation was \$15.3 billion; approximately 12 percent of the funding available nationwide. Of that amount \$9.5 billion was allocated to the state and \$5.8 billion was provided directly to counties and cities with populations over 500,000.	(9,525,565)	-	-
Coronavirus Relief Fund	State Offsets: Vulnerable Populations and Public Safety	Funds are available to offset state COVID-19 costs and mitigate the impacts of COVID-19 through various supportive services to vulnerable populations.	2,692,681	-	-
Coronavirus Relief Fund	Housing for Homeless Individuals and Families (Project HomeKey)	Provides funding to support housing for individuals and families who are experiencing homelessness or who are at risk of homelessness. Local public entities, including cities, counties, housing authorities or federally recognized tribal governments within California may apply for grants through this program administered by the Department of Housing and Community Development.	550,000	-	-
Coronavirus Relief Fund	K-12 Distance Learning/Learning Loss Mitigation	Funding to schools to provide additional academic services for pupils to address learning gaps, instructional materials or devices for distance learning, learning supports, professional development to teachers to develop distance learning content, and supportive services to parents in distance learning contexts.	4,439,844	-	-
Coronavirus Relief Fund	Community Colleges Distance Learning/Learning Loss Mitigation	Funding to community college districts to directly support student learning and mitigate learning loss related to COVID-19, including providing additional academic and supportive services for students, instructional materials or devices for distance learning, learning supports and professional development to teachers to develop distance learning content.	53,975	-	-
Coronavirus Relief Fund	State CRF to Counties	Population based allocation to counties, which takes into account prior direct allocations from the federal CARES Act received by 21 counties. Funding is for public health, public safety, homelessness, and other services to combat the COVID-19 pandemic.	1,289,065	-	-
Coronavirus Relief Fund	State CRF to Cities	Population based allocation to cities for public health, public safety, homelessness, and other services to combat the COVID-19 pandemic. Provides \$225,000 to cities with a population over 300,000 that did not receive a direct allocation from the federal CARES Act and \$275 to cities with populations under 300,000. Cities with populations of less than 300,000 will receive no less than 50,000.	500,000	-	-
